100% Teak Wood

100% Solid Wood Doors

Seasoned Wood

We use Teak Wood after Seasoning of Wood in Kiln Chamber

Advantages of Wood Seasoning

- ◆ No Bending
- ◆ Zero risk of fungal decay.
- ◆ Reduction in weight.
- ◆ Increase in Strength and Quality.
- ◆ Improved capacity to hold nail and screw.
- ◆ Reduction in moisture content.
- ◆ Gets Better Finish after Polishing.

Life Long

We use 100% Teak Wood for manufacturing of Doors.

Teak (Botanical Name TECTONA GRANDIS) is said to be the Best Wood on the Planet, which is more resistance to the termites, climate Change and Bending Force.

Ready To Use / Economical

We supply Ready to Use Door as per your Design which is Economical as compared to buying the wood making the Door at your place as there will be no wastage.

Other than Teak Door we also supply Teak Frames for Door and Windows.

The Company Also Specializes In Manufacturing

- FEQ and MEQ Grade Teak Lumber
- Decorative Face Veneer
- Solid Wooden Furniture
- Solid Wood Flooring
- We can supply Teak Veneer and other Decorative Veneer group match, mix match, Vertical & Horizontal.
